Meet the Dream Fleet

Since its debut in 2016, Dream Cruises has been breaking new ground in the cruise industry with a family of award-winning and critically acclaimed, premium cruise ships providing guests with inspirational journeys at sea that are truly Asian at heart and international in spirit. Purpose-built for the Asian market, every Dream Cruises vessel is a standard bearer of German built quality, legendary Asian service and hospitality and uncompromising North European safety standards. Genting Dream and her sister ship World Dream have garnered both popular and critical renown since their debut in 2016 and 2017, respectively, and are currently the only two Top 10 ranked Large Resort Ships operating in the region*. Sailing outside of Asian waters for the first time in brand history, Explorer Dream is a pathfinder, dividing her time between North Asia and voyages around Australia and New Zealand. The upcoming launch of Global Dream in 2021 and her sister ship in 2022 will further raise the bar through the brand's most advanced mega ships ever, heralding a new chapter in the future of cruising with a state-of-the-art, 208,000 gross ton, next generation vessels incorporating cutting-edge technology, innovative features and facilities to service up to 9,000+ guests.
