- Get ready for an exciting adventure as we pick you up from the hotel lobby! Today's journey will bring us into Sabah's lush countryside, where we will have the chance to savour some famous local delicacies, browse through handmade folk souvenirs, and even try some exotic fruits. We will begin with a scenic drive through picturesque landscapes and lush paddy fields, passing by charming local villages until we reach **Tamparuli town**. The highlight of this place is the "**Jambatan Tamparuli**", where you can walk along the bridge and explore the charms of this small town. Continuing with the drive, we will travel uphill along the winding roads of the Crocker Range for about an hour until our next brief stop at **Nabaluh town**. This is a popular pitstop for locals and travellers, where you can buy fresh produce and snacks. Make sure to visit **Nabaluh Handicraft Market** for souvenirs and the nearby viewing point for a fantastic Mount Kinabalu view.
- Our journey then takes us to **Kinabalu National Park**, Malaysia's first UNESCO World Heritage Site and part of the Kinabalu UNESCO Global Geopark. Situated 1,500 meters above sea level, this 754 sq. km park is home to Mount Kinabalu, one of Southeast Asia's tallest mountains. With an altitude of 4,095.2 meters, Mount Kinabalu offers a majestic view that is truly unique to Sabah. During a guided walk along the nature trails in the park's **Botanical Garden**, you will have the opportunity to discover and learn more about the park's biological treasures, from carnivorous pitcher plants to rare orchid species. The park is home to an incredible variety of flora, with approximately 4,500 plants, including 1,500 orchids. 77 of the orchids are endemic to Kinabalu Park, making a visit here a treat for nature enthusiasts. For animal lovers, the park hosts 289 species of birds, as well as a diverse range of 290 butterfly species.
- After the nature exploration, we will head to the nearby restaurant within **Kinabalu Park** and enjoy a sumptuous lunch. Afterwards, our next destination is **Kundasang Market**. It is a vibrant market that offers a wide variety of goods, including fresh produce, beautiful flowers, and local treats.
- After a fun day exploring the highland, we will bring you to the nearby mountain resort, where you will stay for the night. Here, breathe in the fresh mountain air and feel the cool breeze on your skin that you can only experience at this elevated level. Feel free to explore the resort and its surrounding before your dinner later in the evening.

- Get ready for an amazing start to your third day in Sabah! As you wake up, you will be greeted by a misty morning that unveils breathtaking views of Mount Kinabalu at sunrise.
