

4D3N MULU NATIONAL PARK DISCOVERY

BRIEF ITINERARY:

DAY 01 Arrival – Deer & Lang Caves – Bat Exodus

✈: X/L/D

🏠: Park HQ or Mulu Marriot Resort & Spa

- Upon arrival at **Mulu Airport**, you will be transferred to your accommodation for check-in. After checking in, head to the park cafe for your lunch. At 1400hrs, gather for a safety briefing led by our local guide. Embark on a 3KM walk along almost-flat raised plank paths, taking 40 minutes to 1 hour to reach the **Bat Observatory**. Continue your journey by walking an additional 500m to discover one of the world's largest cave passages, housing over 3 million **Wrinkle Lipped bats**.
- Deer Cave**, another fascinating destination, is home to a substantial number of swiftlets. The high cave ceilings, exceeding 100m in some areas, offer a secure refuge for these birds against predators.
- Marvel at the sheer size of this limestone passage, an ancient riverbed showcasing the force of water carving scalloped walls. Upon reaching the green oasis of the **Garden of Eden**, having covered 800m inside **Deer Cave**, relish the sight of Adam and Eve's showers – a unique showerhead formation with water columns spouting 30m to the riverbed below.
- Returning along a similar path with different perspectives, explore **Lang's Cave**, adorned with magnificent limestone shawls, stalagmites, and stalactites. This smaller cave provides a closer view of bats and the shimmering webs of threadworm larvae, a charming feature of **Mulu Caves**.
- The tour is strategically timed to coincide with the bat exodus, anticipated to commence any time after 1700hr. Following the captivating bat exodus, return to your accommodation. Dinner will be served before you go to rest and unwind overnight.

DAY 02 Batu Bungan – Wind & Clearwater Caves

✈: B/L/D

🏠: Park HQ or Mulu Marriot Resort & Spa

- Start your day with breakfast, and then gather at either 0800hrs in the **resort lobby or Park HQ**, depending on your chosen accommodation. From there, embark on a longboat journey. Cruise along the **Melinau River** to reach a **Penan Longhouse** and explore the market at **Batu Bungan** (closed on Sundays). Consider trying out the blowpipe experience at your own expense.
- Immerse yourself in the local handicraft and arts market in the **Penan Settlement** before proceeding with your cave exploration.
- Make a stop at the **Cave of the Winds (Wind Cave)**, where you'll navigate along a lengthy ramp and climb a few stairs. The journey continues to **Clearwater**, where the subterranean river emerges from the cliff face. Ascend 200 flights of stairs to marvel at the **Monophilia Pendula**, an endemic species in **Mulu**.
- Clearwater Cave**, one of the largest cave systems globally, spans over 220km. While swimming inside the cave is prohibited, you can cool down at the picnic deck in the crystal-clear waters. Our local guide will provide a picnic lunch at the **Clearwater Rest Hut**. Facilities like toilets and designated smoking areas are available.
- Following your leisure water activities, return to your accommodation. Utilize your free time at your own pace such as exploring more of Mulu through unguided trails or walks. Dinner will be served before you rest and spend the night comfortably.

DAY 03 Canopy Walk Exploration – Mulu Rainforest Kayaking

✈: B/X/D

🏠: Park HQ or Mulu Marriot Resort & Spa

- Begin the day with a hearty breakfast before joining the complimentary **canopy walk exploration**. Guests are required to register for the canopy walk exploration at the **Mulu Park HQ** on their own. Therefore, guests should arrive at the Park HQ 15 minutes before the registration time. Available canopy walk time slots are at 0700 hrs, 0830 hrs, 1000 hrs, 1030 hrs, and 1230 hrs. Following registration, a park guide will provide a brief introduction before embarking on the 45-minute guided hiking journey through the Mulu rainforest.
- Following the hike, enjoy a **20mins canopy walk**, and complete the experience with another 45mins return journey to the **National Park HQ**. The entire expedition, encompassing both the hiking and canopy walk experiences, spans 6KM in total. Arrive at the entrance of the **Canopy Walk** and step onto the 420-meter suspended walkway, positioned 25 meters above the forest floor. The walkway is intricately linked to the trees, featuring stations strategically positioned at various trees. This design encourages visitors to pause and observe the canopy from diverse vantage points. Stroll amidst the vibrant treetops, enjoying serene river views below, and take the opportunity to compare the rich vegetation of the riverine forest floor with that of the understorey, treetops, and nearby limestone cliffs. As you stroll along, you can encounter local wildlife, including macaques and flying lizards, adding an exciting dimension to your walk.
- Following the **canopy walk**, enjoy **your lunch (own expense)** and free time at your own pace. You can also opt for a **complimentary kayaking activity** at 1530 hrs. Upon registration, you will get to paddle from **Park HQ to Mulu Marriott Resort & Spa**, lasting approximately 20 to 30 minutes. Whilst kayaking, immerse yourself in the lush rainforest surroundings and appreciate the natural beauty of Mulu. P
